

Welcome to the website of *Ladybikes International*

Thank you for taking the time to visit our website. I trust you will find it informative and interesting in what we are doing in changing the lives of young disadvantaged African women. It has been a privilege to be the Founder of the organisation and along with my fellow directors we have registered the name “Ladybikes International” in Australia, England and Kenya and in the process of establishing companies in those countries. Our plan is to further expand into other East African countries.

We appreciate the fact that Rotary Australia and Kenya have accepted and endorsed the program in providing the opportunity of changing young African Women's lives from poverty to a sustainable living existence.

Enjoy your browsing through the website.

I invite you to financially support this wonderful program through the different forms of donations;

In Australia www.rawcs.org.au. (Ladybikes Project Kenya No 30-2017-18) fully tax deductible.

Directly to Ladybikes International (non- tax deductible) bank account.
