

Ladybikes International

What do we do?

- Train young disadvantaged African women to become motorbike riders.
- By teaching them - to ride a bicycle
- (must be able to ride a bicycle before getting on a motorbike)
- - about the functions of a motorbike
- - to ride a motorbike
- - to obtain a riders licence
- - how to operate their motorbike business

Why?

- To gain employment in the Taxi and Courier Businesses
- To end up owning their own business by leasing a motorbike
- To be self-sufficient and move from absolute poverty to a sustainable living for them and their children.
