## Warm greetings to everyone

This is our last newsletter for the financial year and your last opportunity to receive a tax deduction for any donations before the 30<sup>th</sup> June. We received a \$12,700 grant from District 9670 Foundation, and have so far raised \$7,000 towards matching the amount of \$10,000. SO WE NEED an extra \$3,000 to finish this requirement. **Can you assist please?**

## Planning Goals for 2020 - 2021

1. Purchase more motorbikes.
2. Establish the Ladybikes program in Mbale Uganda (has been put on hold because of the coronavirus).
3. Have at least twelve more trainees gaining their riders licence and working towards being boda boda riders.
4. Start the process of having training for females to become motorcycle mechanics.
5. Establish a Ladybikes training program in Moshi Tanzania in 2021.
6. You or your club could be part of that process by giving donations (tax deductible) to Ladybikes International Ltd.

*All we need is the resumption of the training program and more donations*

Coronavirus Pandemic has certainly changed the world in the way we operate. Our program in Bungoma Kenya is currently in recess.

Yours sincerely
